

A MODEL OF COMMUNITY SERVICE
FROM SOUTHWEST MISSOURI

HON. ROY BLUNT

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. BLUNT. Mr. Speaker, I rise today to commend a resident of the Seventh Congressional District of Missouri who can teach all of us something about commitment. Jerry L. Summers Sr. has touched his community in Aurora, Missouri. His philanthropy and vision have given new and expanded opportunities to his community to grow and develop services and facilities that have benefited kids, the environment and the city's business climate.

Jerry Sumner's full time job is running Service Vending Company, a multi-state enterprise with 50 employees. The firm specializes in the sale of gumballs, treats and toys from coin-operated dispensers found in most supermarkets and convenience stores. The company that earns two-bits a sale, has given Jerry the ability to be a civic dynamo—a role he takes very seriously. He may be Aurora, Missouri's greatest cheerleader. Jerry Summers has unselfishly given his time, energy and support to his community.

Jerry's approach to business and life is simple and direct. "Be organized, do things the same way all the time; get the facts; don't tell me the problem, give me the solution."

Jerry, an avid pilot, understood the need for expanding the city's airport. In 1999 he donated \$100,000 to the Aurora Airport to extend the present runway. That same year he provided a major gift to build a concession stand at Aurora's Baldwin Park with an additional gift to add dressing rooms for the baseball players to be completed by 2002.

Between 1990 and 1998, it was Jerry Summers who contributed at least \$180,000 to expand the Little League program from one baseball field to four. Jerry Summers annually sponsors various baseball, basketball, softball and soccer squads. Jerry has given significant donations to the Aurora Main Street program to modernize the look of the business community and was a major supporter of the city's Christmas lights project. Jerry Summers has sponsored the annual Applefest pageant in Marionville the last two years and is a leading sponsor in the annual 4th of July fireworks in Aurora.

When a local youth sports team wants to compete on the road, Jerry makes sure they have the resources to go. He also contributed to the new band building at Southwest Missouri State University and to improvements at the Wilson's Creek National Battlefield near Springfield.

Jerry's company has prospered in the small town setting. His family of four sons and two daughters have gone to school and grown up in Aurora. Jerry and wife, Theresa, are both active in the community and live on a 300 acre farm where they raise cattle.

In short, if it has something to do with improving the community of Aurora or adding to the quality of life, chances are that Jerry Summers has taken an active role in it. He has earned the title of "community leader."

Saturday, January 29, the Aurora Chamber of Commerce gave Jerry L. Summers Sr. their

EXTENSIONS OF REMARKS

highest honor—"The Community Service Award"—in recognition of his contributions to improve the community. Jerry, who turned 65 on January 27, has no plans to either slow down or end his commitment to the betterment of his community.

I know my colleagues in the House join with me in honoring him for his dedication and his commitment to his community, neighbors and his friends.

IN RECOGNITION OF GEORGIA
O'BRIEN'S 30TH YEAR OF SERV-
ICE TO RESIDENTS OF MIN-
NESOTA'S FIFTH CONGRES-
SIONAL DISTRICT

HON. MARTIN OLAV SABO

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. SABO. Mr. Speaker, today I would like to recognize a member of my staff, Georgia O'Brien, as she marks her 30th year of service on behalf of the constituents of Minnesota's Fifth Congressional District.

Georgia O'Brien has served as a caseworker in my Congressional office in Minneapolis since I began my tenure as a United States Representative in 1979. Prior to joining my staff, Georgia served on the staff of my predecessor in the United States House of Representatives, the Honorable Don Fraser (D-MN), from 1970 to 1978.

Since the day she joined my staff—and, I am certain, during the years she spent serving

in the office of Congressman Fraser—Georgia has served as a tireless advocate on behalf of those residents of the Fifth Congressional District who have needed federal assistance in resolving a problem.

Georgia has proven herself an invaluable asset to my office through her countless hours of hard work, commitment to public service, and success in resolving problems for so many constituents. I am proud to count her as a member of my staff.

Mr. Speaker, today I congratulate Georgia O'Brien for 30 years of thoughtful service to the citizens of Minnesota's Fifth Congressional District. I thank Georgia for the 21 years she has served on my staff, and I am confident that she will continue working hard to improve the lives of many more Minnesotans in the years to come.

TRIBUTE TO RETIRING LAKE CITY
ARMY AMMUNITION PLANT EM-
PLOYEE DALE T. POLLARD

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. SKELTON. Mr. Speaker, it has come to my attention that a long and exceptionally distinguished civil service career has come to an end. Mr. Dale T. Pollard, of my hometown of Lexington, Missouri, recently retired after 58 years of extraordinary service to the Lake City Army Ammunition Plant.

Mr. Pollard's career began nearly 60 years ago as an Assistant Chief Factory Clerk at Remington Arms Company, Incorporated. He willingly left the ammunition plant to enlist in

the Army during World War II and saw combat in the European Theater, earning the combat infantrymen badge and the Bronze Star for valor. He immediately returned to the plant at the end of the war and dedicated himself to government service for the next five decades. Mr. Pollard served in many capacities at the plant, always determined to ensure that Soldiers, Sailors, Airmen and Marines were supplied with the highest quality ammunition and that Americans were receiving every penny's worth of their defense dollar.

At 81 years old, Mr. Pollard could have retired many years ago. Instead, he remained in federal service because he loved his work and was committed to Lake City, the Ordnance Corps, and the U.S. Army.

Mr. Speaker, Dale Pollard has been an inspiration to all who had the pleasure of working with him at Lake City. I know all Members of Congress will join me in paying tribute to the outstanding public service of my good friend.

TRIBUTE TO NORMA RIVERA

HON. JOSÉ E. SERRANO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. SERRANO. Mr. Speaker, I rise today to pay tribute to Mrs. Norma Rivera, an outstanding individual who has dedicated 48 years of her life to community service, and to wish her a happy retirement.

Born on June 1, 1935, in Ponce, Puerto Rico, Mrs. Rivera moved to Buffalo and graduated from high school in 1952. In 1953 she moved to the Bronx where she has been living since.

Mr. Speaker, Mrs. Rivera worked in a factory for three years before joining a housing court agency that was located on Park Avenue in the Bronx. She worked at that agency for eight years. In 1964 she left the housing court agency to work as a counselor and a program coordinator at Sport's for the People, a medically supervised outpatient program. In 1984 she was employed by Lincoln Hospital working in medical records until her retirement in December of last year. Norma is also the President of People's Voice Democratic Club in the Bronx.

Mrs. Rivera is the proud mother of six, Victor, Debbie, Jacqueline, Manuel, Jeanette, and Frances and grandmother of twelve, Lisette, Angie, Kennedy, Michael, Alexis, Matthew, Charles, Denise, Samantha, Brittany, Norma Luz, and Francine.

Mr. Speaker, I ask my colleagues to join me in recognizing Mrs. Norma Rivera for her enduring commitment to the community, and in wishing her a happy retirement.

HONORING ETHEL McALPINE JAMESON

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. McINNIS. Mr. Speaker, I would like to take a moment to pause and remember a

woman that many knew and loved, Mrs. Ethel McAlpine Jameson.

Mrs. Jameson was a long-time Republican Party activist and a very politically involved person. Mrs. Jameson was co-chair of the election campaigns for a former United States Representative and Senator. She served on the board of the Tri-County Mental Health Association in the Denver area and was also active in musical circles and the Episcopal Church.

Mrs. Jameson is survived by her son, seven grandchildren and six great-grandchildren.

It is with this, Mr. Speaker, that I wish to remember Mrs. Jameson for being a great activist and caring wife, mother and grandmother. She was a great American whose service and friendship will be greatly missed.

HONORING CHAIRMAN TOM BLILEY

HON. HOWARD COBLE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. COBLE. Mr. Speaker, in just a few days—February 8, to be exact—we will acknowledge the fourth anniversary of the signing of the historic Telecommunications Act of 1996. And so, it is fitting that we acknowledge one of the act's key sponsors, my good friend, the gentleman from Richmond, Chairman TOM BLILEY.

As part of the act's anniversary activities, the Competitive Telecommunications Association, more easily referred to as CompTel, is honoring Chairman BLILEY as one of the two "Champions of Competition," the other being Senator FRITZ HOLLINGS from the State of North Carolina. Both will be duly recognized, and rightly so, for their outstanding leadership and bipartisan spirit throughout the nearly decade-long debate in the Congress to update the 1934 act.

Mr. Speaker, the Telecom Act provides for a procompetitive, deregulatory national policy framework designed to accelerate rapid private sector deployment of advanced telecommunications and information technologies and services to all Americans by opening all telecommunications markets to competition.

Well, Mr. Speaker, I can assure you that the results are in following 4 years after enactment of this historic piece of legislation. Thanks to Chairman BLILEY's persistence in crafting proper safeguards to ensure open competition to all players, we see today the fruits of his labor.

Finally, Mr. Speaker, in addition to commending Mr. BLILEY for his role in bringing competition to the local market, I would note that his good work on this historic bill has brought hundreds of new companies competing in today's marketplace offering better products and services than have ever been developed and deployed in our lifetime. With that said, it's important to note that not only are consumers better served with many choices, but served at lower prices. Mr. BLILEY and the act intended this to happen. Mr. Speaker, I raise my hat to Chairman TOM BLILEY and congratulate him on being named the Champion of Competition.

IN HONOR OF HAZEL WOLF

HON. JAY INSLEE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, January 31, 2000

Mr. INSLEE. Mr. Speaker, I rise today to honor the life of an exceptional environmental and social activist who recently passed, Ms. Hazel Wolf. Ms. Wolf, originally from Victoria, British Columbia, spent most of her life in Seattle, and her final years in Port Angeles. One daughter, five grandchildren, five great-grandchildren, and four great-great grandchildren survive her.

Ms. Wolf's commitment to the environment was strong throughout her 101 years. As an active member of the Audubon Society for 38 years, she helped to establish Audubon chapters within Washington State, recruit new members, and fought tirelessly to protect our natural resources. The Hazel Wolf Wetlands on Sammamish Plateau was named in her behalf. She was also the recipient of a number of other conservation awards, including the Audubon Medal for Excellence in Environmental Achievement in 1977, the Washington State Department of Game's Award for services in protection of wildlife in 1978, and the State of Washington Environmental Excellence Award in 1978, and the Seattle's Spirit of America Award in 1999. Many in my community cheered heartily when, on her 98th birthday, Washington State Governor Mike Lowry declared March 10th as "Hazel Wolf Day." She understood clearly that if we do not act now to safeguard our precious resources, we will be responsible for the destruction of irreplaceable wilderness areas and wildlife communities.

She was also committed to the idea of women's suffrage, social justice, and civil rights, and never hesitated to practice what she preached. Many years ago, during the era in which many public places were segregated, Ms. Wolf asked to swim specifically when the YWCA pool was set aside for African-American women. Her swim spoke volumes about her beliefs.

Mr. Speaker, the recent death of Hazel Wolf has made me realize, once again, what an awesome responsibility we have as Members of Congress. Ms. Wolf's fight to protect the rights of the working poor, religious and ethnic minorities, and our natural resources is a fight that I am proud to carry forth as a United States Congressman. I know the thoughts and prayers of many of us in the Seattle area go out to Ms. Wolf's entire family. Her life was a shining example of devotion, in so many ways, to a better world for all of us.
